PUBLIC CONSULTATION ON THE WEST LONDON WASTE PLAN ISSUES AND  
OPTIONS DPD  
PLANNING AND COMPULSORY PURCHASE ACT 2004  
TOWN AND COUNTRY PLANNING (LOCAL DEVELOPMENT) (ENGLAND) (AMEND-  
MENT) REGULATIONS 2008**

In accordance with Regulation 25 (1)(a) & (b) of the above regulations the Council hereby gives notice of the public consultation of the Issues and Options for the West London Waste Plan. This document is a joint Development Plan Document (DPD) produced on behalf of the London Boroughs of Brent, Ealing, Harrow, Hillingdon, Hounslow and Richmond upon Thames and forms part of the emerging Local Development Framework (LDF) for each of the six boroughs.

The West London Waste Plan (WLWP) will plan for all waste in the six West London Boroughs for the time period up to 2025. The WLWP will aim to provide a planning framework to identify sufficient sites to deal with West London's waste. The Issues and Options document identifies the key issues and suggests possible options as part of the process of formulating the DPD. As well as the Issues and Options report there are additional background documents available including the Evidence Base for the Issues and Options paper and the Sustainability Appraisal.

You are invited to make representations on what a WLWP DPD should contain and any other comments. The above documents are available to view on the West London Waste Plan website at [www.wlwp.net](http://www.wlwp.net) under "documents" and "have your say" where it is also possible to submit an on-line response. All documents are also available to view at public libraries throughout the six Boroughs (see website for various opening times) and at main council offices.

Representations can be made through the following means:

- On the website [www.wlwp.net](http://www.wlwp.net) while viewing the document - see above.
- By email: [consultation@wlwp.net](mailto:consultation@wlwp.net)
- All consultation comments and feedback forms and other material you may wish to submit in support of your comments should be sent to:
